

# Slimline Key Fob KR22E

## 4 Channel RF Remote Controller

**Product number : KR22E**

### Key Features

- Lets you turn on and off 4 appliances or lamp modules - and Bright or Dim.
- Fits easily in your pocket with new slimline design.

### Benefits

Control lights or appliances from anywhere inside or outside your house - in the yard or from your car.

Keep one by the bedside so you can turn on lights if you hear a strange noise in the middle of the night.

Add additional slimline key fobs, leave one in your house and have one in your car.

In conjunction with CM11, the KR22E is a 8 macros controller.

### Benefits

The KR22E sends radio frequency signals to any X-10 RF receiver - transceiver module or security console.

Its codes are preset to A1, A2, A3 and A4. You can change the house and unit codes easily with a simple key press sequence.
